Tom:

DAM Shannon Knight has requested an additional 125 Lighter Display Kits (POS #70824 / Kit #19801) for 3 chains that requested the program after allocations were made for Section 53. Most of 53's original allocation is already shipped, and with over 2 weeks remaining to order, I cannot as yet pull allocations from elsewhere in the Region.

Could you please advise me if there are any available nationally that ~~were not~~ previously allocated? If so, can 125 incremental displays be moved to territory 53-46-00 to satisfy this request? It would greatly assist her in obtaining distribution on the ~~Menthol~~ packings. I appreciate any help you can give us.
